## The H&V Promise

### Great Customer Service every time

At H&V Insulation Supplies we pride ourselves on great customer service, every time. Run out of materials and need them urgently on site? No problem. If you call any of our branches before midday, we can often deliver same-day, and if you call before 5pm we can usually offer a next-morning delivery service – and don't forget we even deliver on Saturdays.

We know that it can often be many weeks before you receive payment from your client for your work. Whether you are thinking of changing suppliers or simply new to the industry, we are usually able to offer credit terms which can help with your cashflow. An account can generally be opened within days upon completion of our account application form together with suitable references.

#### FREE and Fast Delivery

Enjoy next day delivery with the vast majority of your orders which are sent to site using our extensive fleet. Early or timed deliveries, and even emergency same day deliveries, are also available so please let us know your requirements. We also understand that many of our customers work at weekends so naturally we are also able to deliver on Saturday mornings too!

#### Dedicated Order Lines

Place orders via our dedicated branch order hotlines which are open Monday to Friday from 08:00 to 17:00 on 01708 688666, 01733 810850 or 01623 552617. Alternatively, you can send your orders or enquiries via email or fax.

#### Industry Leading Products

We stock a wide range of heating insulation and ventilation insulation products from the industry's leading suppliers.

#### Credit Account

Credit facilities are available allowing for payment on account, subject to suitable references being provided.

#### Knowledgeable & Friendly Staff

Our staff are happy to help with detailed product knowledge and can provide you with access to technical specifications and guides. As a major stockist of all the major brands we have direct access to a host of manufacturer technical departments that are all able to offer exceptional technical knowledge, backup and support.

#### Nationwide

Wherever your job, we can deliver to your site anywhere in mainland UK removing the need for you to store and take materials to site yourself.
